## IRONWEAR • COMMERCIAL PACKAGED RAINWEAR

### STYLE #9000 SERIES

This is one of the most rugged protective wear rainsuit in the industry. A .50mm yellow PVC bonded to a polyester fabric. The 9000 series offers resistance to many oils, chemicals, certain acids, saltwater and sun. This is an ideal suit for the fishing industry and other environments where only an extra heavy duty line of protective wear will do.

- Jacket with bib overall
- Extra heavy duty protection

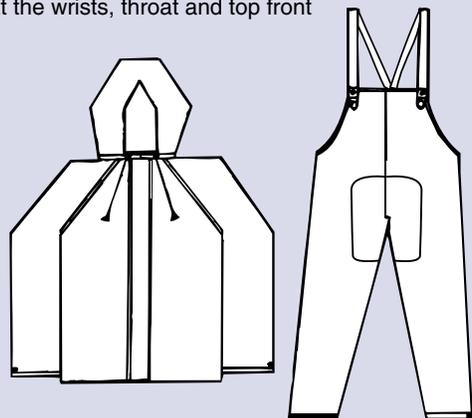

#### Jacket features:

- Attached hood with drawstring closure and heavy duty hook & loop closures at the wrists, throat and top front
- Zipper and snap storm front closures
- Two inside utility pockets
- Rigid bill on the hood for foul weather protection

#### Bib overall features:

- 1¼" wide elastic adjustable suspenders with guide to prevent rolling and bunching
- Hook & loop adjustments at the ankles and cuffs
- Quick release buckles
- Double reinforced crotch, elbows and knees

Color: Yellow  
Sizes: SM - 7XL  
Case Pack: 10 Sets

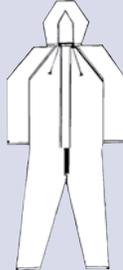

## IRONWEAR • COMMERCIAL PACKAGED RAINWEAR
