

WHAT'S NEW IN

# First AID

## Custom Program Customize Your First Aid Kits

Our enhanced custom first aid program offers a new, broad portfolio of products, increased flexibility and improved turn-around times for custom quotations. Select one of the standard kits and add or subtract items you desire, or we can completely customize kits to meet your specific needs. You may also choose one of the many customization options to promote your company or your customer's organization. We can design a new look (or develop your existing logo, text or design) on a standard (or custom fill) first aid kit, or station.

- Customize the front cover label and/or refill label
- Choose between a label or screen-print option
- Utilize a Rapid label for a professional, semi-custom product
- Refer to Artwork Requirements and options for details
- Receive your custom quote within 24 hours
- Three different Custom Imprint options available: Customized Four-Color Label, Screen Printing or Rapid Label Program. For more information regarding these Custom Print options, please contact Customer Care

### First Aid Kits

- Kits are ANSI Z308.1-2009 compliant
- Durable, waterproof and latex-free
- Available in either plastic or metal
- Unitized kits contain color coded individually sealed unit dose applications
