SX-12 | #AW104

The SX-12™ blasts soil and dirt from tile, grout, and smooth or rough hard surfaces. The rotary arm spins to create amazing soil blasting power working from 700 to 2,000 psi while the vacuum ports pick up all the waste. The SX-12™ is ready to work with truckmount carpet machines, pressure washers and vac systems, or the Hydro-Force high pressure portable extractors.
