

# Dragon Skin<sup>TM</sup> Premium Polyethylene Tape

This tough 9-mil thick polyethylene tape conforms to uneven surfaces while providing a strong bond. Dragon Skin's unique adhesive formula is **designed for clean removal**\* — even in a wide range of temperatures.

- ▶ Compare to preservation tapes and clean-removal duct tapes
- ▶ Ideal for tape-down of water extraction mats; maintains a **water-tight seal**
- ▶ Secures poly sheeting for dust containment, negative-pressure, and lay-flat ducting
- ▶ Features **easy-tear edges**

MATERIAL SPECIFICATIONS	
Thickness	9mil
Tensile Strength	38 lbs/in
Adhesion Strength	70 oz./in
Length	55m

ORDERING INFORMATION		
Catalog Number	Description	Case Qty
1613-1993	Dragon Skin Premium Polyethylene Tape (1.89"W) 48mm x 55m	24
1615-1995	Dragon Skin Premium Polyethylene Tape (2.83"W) 72mm x 55m	16

**Designed for the professional contractor demanding a high-performance tape with clean release.\***

\*We recommend you test tape in a small area before using. Temporary use only. Assure that painted and finished surfaces are done per the paint- or finish-manufacturer's instructions. The top layer of improperly finished surfaces may be removed with the tape. Not recommended for painted drywall surfaces.
