

# HCPCS Coding Information

3M Health Care Products

## Transforming Patient Care

- Ostomy Products
- Professional Skin Care Products
- Dressings and Bandages
- Medical Tapes
- Rehabilitation Products

**3M**

**Disclaimer:**

The reimbursement information provided by 3M Health Care and its representatives is intended to provide general information relevant to coding for 3M products. Insurers' reimbursement policies can vary, however, and the use of the codes discussed here does not guarantee that an insurer will cover or pay at any particular level.

## Ostomy Products

	881-1	1 in. x 10 yd.	20
	881-2	2 in. x 10 yd.	40
	881-3	3 in. x 10 yd.	60

---

#### Note:

This chart does not recommend how or how much of a particular medical tape should be billed to Medicare or other health care insurers. All billing of products to the patient's health insurance program should accurately reflect the actual product and amount that was clinically necessary to treat the patient's condition and the amount actually provided to the patient.
