Flo-Pak Grout Brush (blue) for Taper Handles AB36

Manufacturer: HydroForce

Add extra agitation, when necessary, to grout lines from a standing position. The unique pivoting head lets the brush glide along grout lines, in corners and up walls. The stiff crimped, acid resistant nylon bristle is bevel-cut to get into grout lines. A lock-down handle socket securely attaches to a variety of handles.

Taper Handle sold separately

UPC 017183267663

Also marketed under AB36
