A. PremAire® Supplied-Air Respirator System

- Advanced modular system allows users to match specific respiratory protection needs by configuring the respirator to their specific application
- Lightweight, mask-mounted regulator provides high air flow and responds quickly to changes in breathing requirements
- Available in a Slide-To-Connect (STC) or Push-To-Connect (PTC) version
- Includes a medium Hycar Ultra Elite® facepiece with noseclip and rubber head harness, a Firehawk® regulator, 3AL aluminum cylinders, and nylon support belt
- In addition, the STC includes a carrying case
- Assemblies are less quick disconnect
- Many other configurations are available
- NIOSH approved

| Part Number | Description |
|--------------|--|
| MSA 10045164 | PremAire® System, STC Regulator, 5-min Cylinder |
| MSA 10045165 | PremAire® System, STC Regulator, 10-min Cylinder |
| MSA 10045162 | PremAire® System, PTC Regulator, 5-min Cylinder |
| MSA 10045163 | PremAire® System, PTC Regulator, 10-min Cylinder |
| MSA 800044 | PremAire® Upgrade Kit - Dual Supply w/ 8' Hose Less Fittings |
| MSA 800706 | PremAire® Upgrade Kit - Vortex Tube, Cool Only |
| MSA 800710 | PremAire® Upgrade Kit - Vortex Tube, Warm/Cool |

B. PremAire® Cadet Escape Supplied-Air Respirator

- Economical combination supplied-air-respirator with escape cylinder in a streamlined, lightweight design. Escape cylinders rated at 5-, 10- and 15-minutes
- The streamlined new design offers a first-stage regulator and cylinder valve within one assembly, creating a very small size and profile that is less likely to snag when working in tight places
- Cylinders can be worn on left or right hip
- The Ultra Elite® Pressure-Demand Facepiece or Advantage® 4000 Facepiece with APR conversion capability offer choice of sizes and nose cups
- NIOSH approved as a combination supplied-air respirator and self-contained breathing apparatus
- A cost-effective respiratory protection solution for many industries

| Part Number | Description |
|--------------|---|
| MSA 10092033 | PremAire® 5 Minute Aluminum Cylinder Snap-Tite Fitting |
| MSA 10092034 | PremAire® 5 Minute Aluminum Cylinder Hansen Fitting |
| MSA 10092035 | PremAire® 10 Minute Aluminum Cylinder Snap-Tite Fitting |
| MSA 10092036 | PremAire® 10 Minute Aluminum Cylinder Hansen Fitting |
| MSA 10092038 | PremAire® 15 Minute Carbon Cylinder Hansen Fitting |

C. Constant Flow Supplied-Air Respirators

- Constant flow respirators are available with a choice of four different facepieces
- The Ultra Elite® and Ultravue® are full-mask facepieces
- The Comfo® and Welder's Comfo® are half-mask facepieces
- Assemblies include the selected constant flow facepiece, breathing tube, nylon belt and control valve with aluminum non-locking snap-tite quick-disconnect assembly
- Choose high pressure control valve or low-pressure control valve
- NIOSH approved

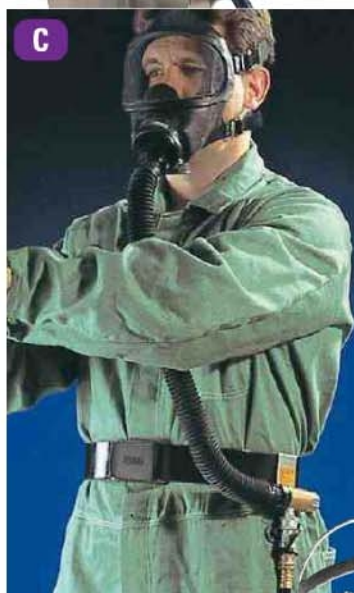

| Part Number | Description |
|-------------|---|
| MSA 460865 | Comfo® Half-Mask, High-Pressure |
| MSA 460862 | Welder's Comfo®, High-Pressure |
| MSA 460863 | Ultravue® Facepiece, High-Pressure |
| MSA 810829 | Ultra Elite® Facepiece, High-Pressure |
| MSA 463302 | Comfo® Half-Mask, Low-Pressure |
| MSA 463281 | Welder's Comfo® Half-Mask, Low-Pressure |
| MSA 463300 | Ultravue® Facepiece, Low-Pressure |
| MSA 806775 | Ultra Elite® Facepiece, Low-Pressure |

D. Welder's Adapter and Accessories

- Welder's Adapter can be easily installed over a facepiece lens
- Clip-On style adapter can be easily removed if needed, whereas the Integral adapter model is used in place of the facepiece lens
- Both models are made of polycarbonate and feature a flip-up lens with large 4 1/2" x 5 1/4" vision area
- Auto-Change™ Electronic Welding Lens is a solar-powered automatic-darkening welding filter for use with MSA Welder's Adapters
- Glass yarn Welder's Hood fits over the Welder's Adapter to protect the head, neck, and shoulders from sparks

| Part Number | Description |
|--------------|---|
| MSA 472859 | Clip-On Welder's Adapter for Ultra Elite® Facepiece |
| MSA 470786 | Clip-On Welder's Adapter for Ultravue® Facepiece |
| MSA 10068601 | Auto-Change™ Electronic Welding Lens |
| MSA 10065328 | Clip-On Welders Adapter for Advantage 4000, Twin Port Facepiece, with cover lens, less filter plate |
| MSA 38347 | Rayfoe® Filter Plate, Shade 10, Heat-Treated |
| MSA 38277 | Rayfoe® Filter Plate, Shade 12, Heat-Treated |
| MSA 486328 | Welder's Hood |
