

PRODUCT DATA SHEET

FORMULA 909

SOYBEAN DEGREASER & MASTIC REMOVER

ODORLESS / BIODEGRADABLE / V.O.C. COMPLIANT

Product Description

Sentinel 909 Soybean Degreaser & Mastic Remover is a biodegradable, soybean based solvent cleaner for the removal of black asphalt based mastics, yellow carpet adhesives, grease, lubricants, inks and other petroleum based residues. 909 is ideal for projects when a biodegradable no odor product is preferred.

Application Information (Always follow product label instructions for best results)

DIRECTIONS:

Before beginning work, protect all walls, flooring, carpeting, cracks or wood with an absorbent from liquid materials. This will ensure easier clean-up and eliminate potential problems.

STEP 1:

Wet the entire adhesive surface with 909. This may be done by spraying or mopping 909 over the surface of the mastic. Allow 909 to soak and penetrate into the mastic for 40 - 60 minutes.

STEP 2:

Scrape or squeegee the bulk of the softened or liquefied mastic from the surface with a floor scraper (razor scraper) or floor squeegee.

STEP 3:

Reapply 909 as in step one. Agitate with a short-bristled broom, hand-held or rotating floor scrubber with stripper pads to fully lift and liquefy adhesive residue from the subfloor. The liquid may then be removed with absorbent.

STEP 4:

Wash and rinse the floor thoroughly with Sentinel 805 and water to ensure a clean surface. Allow to dry a minimum of 24 hours before installing new flooring.

COVERAGE:

Expect coverage rates of 100-200 sq. feet per gallon.

V.O.C. CONTENT:

This Floor or Wall Covering Adhesive Remover contains less than 5% V.O.C. content by weight, in accordance with the requirements set forth by the California Air Resource Board (CARB) and Ozone Transport Commission (OTC), effective 1-1-2009.

WARRANTY NOTICE:

Seller makes no warranty, expressed or implied, nor accepts any responsibility for any direct or consequential damages beyond purchase price, because seller cannot control users handling and use or effect of that use.

HAZARD RATING: HMIS
