

Universal PolyBacked Roll #PBGRF100H - 30" x 100', 1 roll/package

PolyBacked Roll forms an impervious barrier that prevents absorbed liquids from reaching your floors.

- **Added Protection for Your Floors:** The strength of our signature FineFiber Mats combines with the liquid-stopping power of an impenetrable, chemical-resistant poly backing for liquid- and stain-free floors. Poly backing also provides non-skid characteristics for safety.
- **Fast-Acting for Cleaner Floors:** Top and bottom layers of FineFiber are built of densely-woven, small-diameter strands of fiber to increase surface area — enabling the Mat to quickly soak up liquids before they can spread. Universal application for oil, coolants, solvents and water.
- **Virtually Indestructible:** FineFiber Mat has a layer of MeltBlown polypropylene ultrasonically sandwiched between two FineFiber layers. Sonic-bonded "Dimples" add fast-wicking power and strength. 3-ply construction gives Mat durability to resist heavy foot traffic for longer wear and fewer changeouts.
- **High Sorbency Means It Stays on the Job Longer:** Large-diameter MeltBlown polypropylene fibers create a high-loft inner layer that absorbs high volumes of liquid fast.
- **Color-Coded:** Color-coding helps you visually identify the right sorbent for your needs. Gray signifies Universal sorbency.

PBGRF100H Specifications

Dimensions:	30" W x 100' L
Shipping	12" W x 30" L x 12" H
Dimensions:	
Sold as:	1 roll per package
Color:	Gray
Composition:	Polypropylene
Absorbency:	Up to 18 gal. per package
# per Pallet:	20
Basis Weight:	HeavyWeight
Incinerable:	No
Ship Class:	150

Metric Equivalent Specifications

Dimensions:	76.2cm W x 30m L
Shipping	30.5cm W x 76.2cm L x 30.5cm H
Dimensions:	
Absorbency:	Up to 68.1 L per package
