

Universal Sock/Net Boom #GB510SN - 5" x 10' 4/package

For large spills, use Universal Booms for fast, efficient response. Just one of these high-capacity Booms can contain and soak up almost 7.5 gallons of oils, coolants, solvents or water!

- Contain and Absorb Large Volumes of Liquid Strong mesh outer sleeve encases a poly sock skin filled with 100% highly-sorbent poly blend. Booms won't shed, even when saturated. Tough Construction A nylon rope and sturdy hardware ensure long-lasting durability and easy retrieval. Create Customized Sizes Durable, easy-to-use connectors provide a simple and efficient way to link Sock/Net Booms together and create a containment system big enough to handle almost any size spill. Clip together with carbon steel connector hardware. Color-Coded Color-coding helps you visually identify the right sorbent for your needs. Grunge-hiding Gray signifies universal sorbency for oils, coolants, solvents and water. Note: These items are not compatible with sulfuric acid.
