

WaterWick #WW15 - 1.5" x 12" 1/package

Maintain peak performance and prevent engine failure. A WaterWick sorbent pulls in water that collects in fuel tanks before it can cause damage.

- Helps preserve engine life and prevent frozen lines by removing water from fuel stores; also minimizes filter-clogging rust and algae
- Ballast forces WaterWick to bottom of tank, where unwanted water settles; highly-absorbent filler pulls in water but repels gas and diesel fuel
- Tough nylon line for easy deployment and retrieval

WW15 Specifications

| | |
|---------------------|-------------------------|
| Dimensions: | ext. dia. 1.5" x 12" L |
| Sold as: | 1 per package |
| Color: | Gray/Clear |
| Composition: | Plastic/Nylon |
| Absorbency: | Up to 8 oz. per package |
| Incinerable: | Yes |
| Ship Class: | 85 |

Metric Equivalent Specifications

| | |
|--------------------|----------------------------|
| Dimensions: | ext. dia. 3.8cm x 30.5cm L |
| Absorbency: | Up to 236.6 mL per package |
