

Oil-Only HighLoft MeltBlown Roll #WR150G - 30" x 150' 1/package

MeltBlown Mat Roll with HighLoft Technology quickly absorbs oil for economical, effective cleanup of petroleum-based spills on land or water.

- **HighLoft Saves You Money** Upgraded manufacturing capabilities create a Roll that's sturdy and soft but has a higher loft than standard mats for greater economy without compromising sorbency. Between SingleWeight and MediumWeight but able to take in 30 times its own weight in liquids! **Fast-Wicking** Loose stacked-weave design increases surface area on spill. Mat starts wicking on contact to save time in critical situations. Works equally well on land or water — it even floats when fully saturated. Ideal for outdoor use — **MeltBlown Mat** provides quick, efficient cleanup to help protect the environment from contamination. **Absorbs Oily Liquids — Repels Water** MeltBlown polypropylene fibers are left in their natural hydrophobic state. These hydrophobic fibers repel water (and float) while only absorbing oils and other hydrocarbons. **High Sorbency Keeps Mat on the Job Longer** Large-diameter MeltBlown polypropylene fibers are randomly assembled to create a lofty Mat that absorbs high volumes of liquid fast. **Bright White Color Makes it Easy to See** When Mat is Completely Saturated Oily grunge can't hide on bright white MeltBlown Mat. Makes it easy to see when it's fully saturated — you save money by not throwing it away too soon.

WR150G Specifications

Dimensions:	30" W x 150' L
Shipping Dimensions:	10" W x 30" L x 10" H
Sold as:	1 roll per package
Color:	white
Composition:	100% Polypropylene
Absorbency:	Up to 41.2 gal. per package
# per Pallet:	21
Incinerable:	Yes

Metric Equivalent Specifications

Dimensions:	76.2cm W x 46m L
Shipping Dimensions:	25.4cm W x 76.2cm L x 25.4cm H
Absorbency:	Up to 155.9 L per package
