

SAFE. SIMPLE. STERILE.

>>> EMERGENCY EYEWASH

FENDALL 2000™

SPERIAN
Protection you can trust

FENDALL 2000™

With the innovative Fendall 2000, the user benefits.

We've listened to our end-users and have built an eyewash station with all of the features and benefits that you would expect in a state-of-the-art portable emergency eyewash station from Sperian.

- Delivers 100% sterile saline from a 100% sterile delivery system
- Built-in alarm system that sounds when the unit has been activated and again when the injured individual has completed the required 15-minute flush
- Sleek assembly that fits nearly anywhere
- Highly portable and easily moved when work stations move
- Easy-view side windows to check sterile solution expiration date and key contact information
- ESP™ Enabled Safety Products RFID technology gives you instant, accurate safety information about the cartridge
- NEW** • Heated Accessory enables use in extreme cold environments (sold separately)
- Meets ANSI Z358.1-2009 15-minute flush requirement for primary eyewash stations

Easy-to-install single cartridge with ESP™ Enabled Safety Products RFID technology features 100% sterile saline

Maintenance button quickly deactivates unit for inspection

Alarm sounds upon both activation of the unit and completion of 15-minute flush

Reservoir collects waste solution for safety and easy disposal

Full visibility is provided through the side window to quickly check expiration date

ONE CHANCE. ONE CHOICE. STERILE.

Sperian has taken emergency eye care to a whole new level. The Fendall 2000™ delivers 100% sterile eyewash solution from a completely sterile delivery system. With the Fendall 2000, injured workers are treated with 100% sterile, buffered and physiologically balanced saline solution free of contaminants, bacteria, corrosives and pollutants.

Sterile saline solution adheres to FDA guidelines for providing sterile eyewash solution in self-contained emergency eyewash stations.

0% Bacteria
0% Molds
0% Fungus
0% Pollutants

= 100% Sterile Eyewash

FENDALL 2000. THE INNOVATION YOU EXPECT.

Ingenious design delivers a steady soft ribbon of 100% sterile saline from a 100% sterile delivery system, minimizing the risk of further injury. Added comfort features, ergonomic design, and alarm system all work together to ensure compliance with the full 15-minute ANSI flushing requirement.

Each Fendall 2000 unit comes complete with emergency eyewash station sign, mounting bracket, installation DVD, tamper seal and 1-year warranty. Sterile saline solution cartridge sold separately.

FEATURES:

- 100% Sterile solution offers unmatched safety
- 100% Sterile delivery system
- 24-month cartridge life
- Alarm sounds upon both activation and completion
- Deactivation button
- Easy-view side windows
- ESP™ Enabled Safety Products RFID technology
- Integrated waste containment
- NEW** • Heated Accessory available
- Constant flow rate meets ANSI Z358.1-2009

BENEFITS:

- Helps minimize further injury
- Ensures a contaminant-free rinsing environment
- Saves time and money on replacements and frequent inspections
- Ensures 15-minute flush
- Allows fast and easy maintenance of unit without false triggers
- Enables quick review of expiration date
- Provides instant, accurate safety information, simplifying maintenance and inventory control
- Prevents spills and is easily emptied
- Ensures cartridge solution maintains tepid temperature in temperatures as low as -40° F/C° (sold separately)
- Ensures compliance with 15-minute flush requirement for primary eyewash stations

Fendall 2000 shown with Heated Accessory and Universal Stand accessories (each sold separately)
