

ENZYME CLEANER, DEODORIZER & SPOT REMOVER

DESCRIPTION

Product No.: 3007

RECON Enzyme Cleaner, Deodorizer, & Spot Remover is a 4-strain biological organism chemical cleaning treatment system that biodegrades greases, fats, soaps, food particles, proteins, animal wastes, carbohydrates such as sugar and starch, and suspended organic solids and turns them into free flowing liquids. This product is formulated to contain 1.5 billion enzyme producing bacterium per ounce. The multipurpose nature of this product allows for use as a deodorant, general purpose cleaning, carpet and fabric cleaning. It is particularly good for removing hard-to-get spots and odors including those from human or animal waste. The biological action is excellent for use in fire, smoke and water damage restoration. It is economical to use because of the efficient dilution rate for effective odor relief. Materials in this product are biodegradable. Contains no acids or alkalis and is nonpathogenic and Salmonella free.

PROPERTIES

- **Weight per gallon:** 8.33 lbs.
- **Color:** None
- **Odor:** Pleasant
- **Flash Point:** None
- **pH:** 7.0
- **Appearance:** Clear to slightly hazy
- **Shelf Life:** 1 year minimum
- **Packaged:** Qt (12/case)
Gal (4/case)
5 gal pails

DIRECTIONS

General Odor Control: To eliminate odor caused by fire, smoke, or water damage, spray directly on the source of the malodor and allow the biological action to convert the organic matter while the odor counteractants neutralize the offensive odors.

Carpet and Fabric Cleaning and Deodorizing: Vacuum or brush clean fabric and spot clean thoroughly. Add 4 to 8 oz. of product to 1 gallon of water. Apply to fabric by sprayer to give complete coverage. Keep moist at least 30 minutes. Reapply if odor persists. **Cleaning:** For use in cleaning solutions, add 4 to 8 oz. per gallon of solution. Use with all carpet and fabric cleaning methods.

Container Disposal: Triple rinse container and discard according to local regulations.

Spill or Leakage Procedures: Dike and contain, collect and reuse. Wash affected areas with clear water. (OVER)
