

HEAVY DUTY CLEANER

DESCRIPTION

Product No.: 3027

RECON Heavy Duty Cleaner is a concentrated combination of emulsifiers, penetrants, wetting agents and water conditioners which dissolve and hold in solution grease, dirt, carbon, oils, and ground in soil. Suspended materials can be rinsed free, leaving no alkaline residue even in hard water. Versatile applications range from degreasing to steam or pressure washing, and concrete or quarry tile cleaning when an acid product is not desired. Formulated without the use of butyl cellosolve or caustic, it is more environmentally preferred than traditional heavy duty cleaner/degreasers. In addition, it chemically deodorizes as it cleans, eliminating unpleasant lingering odors. Ideal for use in fire, smoke and water damage restoration.

PROPERTIES

- **Color:** Green
- **Odor:** Mild
- **Flash Point:** None
- **pH:** 12.0-13.0
- **General Appearance:** Clear Liquid
- **Classification:** General Purpose Cleaner
- **Packaged:** Gallons (4/case)

DIRECTIONS

Dilute with water to the following concentrations for effective cleaning:

Soot & Carbon Removal:	1:16
Heavy Duty Cleaning:	1:16
Medium Duty Cleaning:	1:32
Steam Cleaning/Pressure Wash:	1:32
General Cleaning:	1:64
Hard Floor Cleaning:	1:64

Avoid use on aluminum. Always rinse thoroughly. Apply with sprayer, sponge, brush or steel wool, agitate as required. Rinse thoroughly with water. Allow to air dry on smooth surface.
