

## MULTIPURPOSE CLEANING WIPES

### DESCRIPTION

Product No.: 3080

**RECON** Hand Cleaning Wipes are a convenient companion for cleaning and restoration professionals. This versatile product can be used on virtually any surface without the need for multiple products such as soap, water, a sink or even a towel. These premoistened wipes remove even the toughest deposits including soil, smoke film, paints, adhesives, greases, ink, and more.

The aggressive cleaning action is "industrial strength" but safe for use on plastics, metals, painted surfaces, whiteboards, chalkboards, wood, laminates, rubber, porcelain, and most other surfaces. Formulated specifically for the cleaning professional, this product is fortified with a skin conditioner to make the most of your hard work with an abrasive on one side and soft on the other. The pleasant fragrance of the wipes leave hands and work area smelling fresh and clean with no film or residue.

### PROPERTIES

- **Appearance:** (White) Dual textured nonwoven, synthetic blend wipes
- **Odor:** Lemon
- **pH:** 5.5-6.5
- **Shelf Life:** 18 month minimum
- **Packaged:** 75 Wipes, 8"x12"

### DIRECTIONS

**DIRECTIONS FOR DISPENSING:** For first use, hold upright and remove entire closure to expose towels inside. Unsnap closure cap and pull edge of wipe in the center of the roll and press up through the "X" opening until an inch has cleared and replace cap and closure. For subsequent use, unsnap closure cap and pull wipes at 90° angle from the container to facilitate separation. Snap the closure cap firmly to seal and protect wipes when not in use. Be sure wipe edge is clear of closure cap edge for maximum seal and longest shelf life.

**DIRECTIONS:** Pull wipe from container and scrub desired surface with abrasive side until deposits are loosened. Use soft side to remove the deposits and polish out until clean. Repeat as necessary. Discard used wipes appropriately (do not flush). Reseal closure cap until it snaps and store at room temperature when not in use.
