

HAND SANITIZER WIPES

DESCRIPTION

Product No.: 3081

RECON Hand Sanitizer Wipes are the ideal companion for every restoration professional. This premium, pre-moistened cloth-like wipe kills microbes on hands in seconds and helps reduce the risk of infection from disease. The gentle formula is pleasantly fragranced, and conditions and moistures skin so frequent use is not a problem. This wipe is the perfect, portable clean-up for hands and face when soap and water are not around, particularly in water-damage applications where microbial growth is common.

PROPERTIES

- **Appearance:** White towelette
- **Odor:** Light Alcohol
- **pH (Liquid):** 7-9
- **Active Ingredients:**
Benzalkonium Chloride 0.115%
- **Packaged:** 90 Wipes, 6"x6.5"

DIRECTIONS

DIRECTIONS FOR DISPENSING

For first use, hold upright and remove entire closure to expose towels inside. Unsnap closure and pull edge of wipe in the center of the roll and press up through the "X" opening until an inch has cleared and replace cap and closure. For subsequent use, unsnap closure cap and pull wipes at 90° angle from the container to facilitate separation. Snap the closure cap firmly to seal and protect wipes when not in use. Be sure wipe edge is clear of closure cap edge for maximum seal and longest shelf life.

DIRECTIONS: Apply to affected areas. Wipes hands including nails and cuticles. Discard properly after use.
