

HEAVY DUTY ODOR COUNTERACTANT

DESCRIPTION

Product No.: 3040

RECON Heavy Duty Odor Counteractant is a multi-purpose air freshener, deodorizer and defilmer for all washable surfaces. Formulated specifically for the treatment of surfaces after fire, water or smoke damage, this product is fortified with a concentrated counteractant and a pleasant light fragrance to leave surfaces and rooms smelling fresh and clean, not overwhelmed. This product is very versatile and may be added to other cleaning products including mop water to remove soap film from floors, walls and other washable surfaces. Water based and nonflammable, it is highly concentrated making it very economical to use. Can be fogged for reducing odor in air, also used in HVAC same for Extreme Duty Odor Counteractant.

PROPERTIES

- **Weight per gallon:** 8.27 lbs.
- **Color:** None
- **Odor:** Fresh
- **pH:** 4.0-5.0
- **Shelf Life:** 1 year minimum
- **Active Ingredient:** Siloxane

DIRECTIONS

Use the following dilutions for maximum effectiveness. Be sure washable surface has been cleaned of any deposits or heavy film.

LIGHT DUTY SPRAYING: Dilute product 1-4 ounces per gallon with water and apply with a trigger or pump up sprayer. Repeat as necessary.

HEAVY DUTY SPRAYING: Dilute product 4-8 ounces per gallon with water and apply with a trigger or pump up sprayer. Repeat as necessary.

CLEANING ADDITIVE: For most water based cleaning products, this product may be added to enhance the deodorizing power of the cleaning process. Dilute 1-4 ounces per gallon to the end use solution (as is if Ready-to-Use, diluted per the label instructions of the cleaner if a concentrate). Use per the label directions of the cleaning product. NOTE: Not recommended for use with glass cleaners.
