HEAVY DUTY CARPET PRESpray & DEGREASER

Puroclean Heavy Duty Carpet Pre-spray & Degreaser is a pre-spray designed for the worst cleaning situations you come across. It can be used on carpet and on hard surfaces that are not harmed by high pH cleaners. It can be mixed in a HydroForce Injection sprayer or in pump and electric sprayers. It can be mixed in hot or cold water with equal effectiveness.

- **Ultra concentrated, citrus enhanced, high alkaline prespray for carpets needing a restoration cleaning.**
- **Starts to work on contact and dissolves grease and oils in minutes and is the ideal choice for any restorative cleaning job.**
- **Economical by costing only pennies per diluted gallon and making over 50 gallons of ready to use prespray.**
- **Dissolves faster than any other powder you have ever used. It is suitable for use in the Hydro-Force sprayer and easier to dissolve at that strength.**
- **Uses the cleaning strength of citrus and leaves the fresh natural orange scent behind.**
- **Less foamy than typical high pH presprays.**

CARPET PRESpray DIRECTIONS:

Pump or Electric Sprayers - Dilute 1 scoop (2 ounces) of Heavy Duty Carpet Prespray/Degreaser per gallon of hot water for most soils.

For special case, hard-to-remove and heavy soil, use 2 scoops (4 oz.) of Heavy Duty Carpet Prespray/Degreaser per gallon of hot water.

Application - Spray on traffic areas of carpet until evenly damp. Allow to dwell for 5-15 minutes. Extract with normal cleaning process.

DEGREASER DIRECTIONS:

- For use in routine cleaning of hard surfaces and carpets: Mix 1 oz. of Degreaser to 1 gallon of water.
- For use as a heavy-duty degreaser: Mix 4 oz. of Degreaser to 1 gallon of water.
- For painted walls and general cleaning: Mix 2 oz. of Degreaser to 1 gallon of water.
- For spray-n-wipes: Mix 1 oz. of Degreaser to 1 gallon of water.

Part Number: PURC010A / 1651-2143

12.5 - 13.0 RTU pH

Dilution Ratio: 1-2 oz./gal.

Contents: 6.5 lb. Jar (2.95 Kilograms)

Available in 6.5 lb Jars and 4 x 1 Jar cases
