

LEMON FRESH DEODORANT

CLEAN & DEODORIZE

LEMON FRESH DEODORANT ADDITIVE

Lemon Fresh Deodorant Additive is a heavy duty odor control product that is ideal for general deodorizing of carpets and fabrics, yet powerful enough for a broad range of malodors. Can be used as a direct spray or as an additive to your cleaning solutions. Designed for use on carpet, upholstery, laundry and general space deodorizing, these formulas attack odors caused by decomposition.

- **Pleasant fragrance covers the offending odor while the deodorizing agents go to work on the source.**
- **Safer deodorizer with no oxidizing or bleaching agents.**
- **Add to any cleaning solution to leave a pleasant fragrance behind.**

U.L.V. WET FOGGER

The compact & stable U.L.V. wet fogger is the best choice for open-area & sub-surface deodorizing & disinfecting with water-based deodorizers & disinfectants designed for fogging.

Part Number: PURC026GL / 1650-2243

7.9 RTU pH

Dilution Ratio: 2-4 oz./gal.

Contents: One U.S. Gallon (3.79 Litres)

Available in Gallons and 4 x 1 gallon cases

DIRECTIONS

As a deodorizer additive to carpet and upholstery wet cleaning solutions: Mix 1-2 ounces of Lemon Fresh Deodorant Additive per gallon of ready-to-use solution.

As a deodorizer additive for cleaning hard surfaces such as walls, hard surface floors and fixtures: Mix 1-4 ounces per gallon of ready-to-use solution.

Direct spray application for heavy odor contamination: Mix 1 part of Lemon Fresh Deodorant Additive to 3 parts water and apply directly to the source of the odor with a pressure sprayer.

Fogging or misting application: Mix 1-2 ounces of Lemon Fresh Deodorant Additive per gallon of water and lightly mist into the air with the U.L.V. Fogger at low setting. Cover up all moisture sensitive items such as upholstery and wood furniture.
