

# FLASHXtractor II

## Leave Up to 35% Less Water Behind Than Competitive Tools

The faster you remove water from carpet and pad the faster you can dry. The FlashXtractor™ II Subsurface Water Extraction Tool is so efficient and easy to use you will wonder why you ever bothered using other tools.

- High impact resistant plastic base comes with a non-slip textured coating to ensure safe use even while wet
- Flexible, telescoping handle allows the operator to work in tighter places and reduces fatigue
- Fits both 1-1/2" and 2" vacuum hose
- Easy handle removal for storage or transportation
- Light weight reduces operator fatigue
- No vacuum release is necessary due to the ridges incorporated in the design to optimize air flow and suction
- In comparative lab testing it left considerably less water, as much as 35% less\* compared to other tools
- The FlashXtractor II can even be used to evacuate water from black water floods
- 2 Year Comprehensive Replacement Warranty
- 16.5" W x 9.5" L
