

# OMNI PRO™ Sprayer

## A versatile, convenient battery-powered sprayer!

**Retractable Handle**—Mobility is easy with built-in wheels, or just lift and carry with molded-in handle.

**Convenient**—Holds a removable 2½-gallon bottle, allowing easy switching of chemicals. The translucent bottle allows you to see when you need a refill at a glance. Fifteen feet of coiled hose lets you move around efficiently while leaving the sprayer unit in one place, or roll it around on its wheels.

**Flexible**—Comes with an extra spray jet, so you can quickly and simply switch from doing carpet prespray to upholstery prespray. Removable jets allow for easy priming and rinsing of lines.

**Reliable**—Charging the battery is as simple as plugging it into your van's cigarette lighter outlet, so it can charge between jobs. Sprays up to 60-gallons on a full charge.

**Durable**—The rotomolded plastic housing unit is proven to last for years, as is the heavy-duty gun and stainless wand assembly. Repairs are easy when necessary. The battery and pump are mounted on an easy-to-access stainless steel plate.

## Features and Benefits

**Wide Bottom:** prevents the sprayer from tipping over

**Translucent Bottle:** make it easy to see the level of chemical

**2 1/2 Gallon Bottle:** the sprayer holds more chemical, allowing less frequent refilling

**Removable Bottle:** allows for quick chemical switching

**Large cap:** enables easy refills and less chance of spills

**15 Feet of Coiled Hose:** prespray upholstery with sprayer in one position

**Built In Extension Holder:** keep out of the way on truck

**Large Wheels:** easy movement on commercial jobs or large rooms

**Extendable Handle:** for easy transportation and movement

**Extra Jets Easily Attached:** move from carpet prespray to upholstery prespray to protector with different jets

**Easy Priming and Rinsing of Lines:** removable jets

**Easy to Recharge:** cigarette lighter to battery to outlet; charges between jobs. Optional 110v recharger available (Interlink Supply part # NM4108)

**Length of Charge:** sprays up to 60 gallons on full charge

**Easy to Fix:** remove 4 screws to service pump or battery

**Sealed Cavity:** pump and battery protected from spills

**Flojet Water Pump:** durable, easy to maintain, self-priming

**Rotomolded Plastic:** proven to last for years

## Specifications

### Pump

Flow: 1 gallon/minute

Pressure: 50 psi
