

This ZipRail™ tight-seal accessory seals the ceiling and the floor in seconds without tape.

SINGLE PACK

Product Specifications

ZipRail™ Single Pack Item #ZR1

The ZipRail™ Dual Seal is a great new product that lets you create a dust-tight seal along the entire floor and ceiling without tape. Used with your existing ZipWall® barrier system, the new ZipRail accessory pushes the plastic sheeting tight to the ceiling and the floor. The ZipRail Dual Seal is the fast and easy way to get the best dust barrier performance.

The ZipRail Dual Seal is ideal for hospital construction, where dust often contains harmful fungi and mold spores. It's perfect for

demolition, drywall work and concrete restoration where fine dust can creep over and under the plastic sheeting. It can be used in abatement as well as mold remediation. And it is also ideal for flood and fire restoration where quick containment setup maximizes profitability.

Features:

- Seals the ceiling and floor without tape
- No ladders needed for set up
- Span 4' of ceiling and floor per ZipRail seal
- Maximum height 10' 3"
- ZR1 contains one 10' ZipRail pole and two 4' Foam Rail™ crossbars
