POWER BREAK

Super Concentrated Powdered Prespray

POWER BREAK from Bridgepoint is the most versatile traffic lane cleaner available. Dilute it to proper strength, spray it on the carpet and watch the soil and stains begin to melt away.

- **SUPER CONCENTRATE** - 100% active - No powdered pre-spray delivers more soil and grease cutting ability.
- **ECONOMICAL** - When compared to other powders and liquids. Power Break does more - for less.
- **CHEMICALLY BALANCED** - Power Break contains the perfect balance of solvents, builders, surfactants and enzymes to take care of all possible soils and stains.
- **DISSOLVES QUICKLY** - Power Break will dissolve completely and quickly every time.
- **VERSATILE** - Restaurant grease, dirty apartments or family room kid dirt are all easily cleaned with Power Break.

DIRECTIONS:

Power Break is designed for use in the Hydro-Force injection sprayer and other types of pump or electric sprayers. Best results are obtained when mixed with hot water.

Pump or Electric Sprayers - Dilute 1 scoop of Power Break per gallon of hot water for light to medium soils. Use up to 2 scoops of Power Break per gallon of hot water for heavier soiling conditions.

Hydro-Force Injection Sprayer - Dilute 6 scoops of Power Break per Hydro-Force container of warm water.

Application - Spray on traffic areas of carpet until evenly damp. Allow to dwell for 5-15 minutes. Extract with normal cleaning process.

Available in 6.5 Pound Jars and 4 x 1 6.5 Pound Jar cases

RTU pH: 11.5
Part # CC07AA
