

POWER POINT

BRIDGEPOINT SYSTEMS Liquid Carpet Cleaning Extraction Emulsifier

Power Point is a heavy duty alkaline rinse that is powerful enough to clean everything from greasy restaurants and filthy apartments to heavily soiled residential carpets but is also safe for all carpet fibers. This makes it a very versatile product that can be used on virtually every job—and even most wet cleanable upholstery.

Rinsing with Power Point insures that presprays and suspended soils are rinsed thoroughly—leaving carpets their cleanest. And, Power Point won't leave soil attracting residue behind.

Power Point dissolves instantly, rinses freely and won't harm equipment.

- Alkaline extraction detergent
- Presprays and suspended soils are rinsed thoroughly
- Designed for high temperature usage
- Extremely concentrated for economical use
- Completes the deep cleaning of extremely soiled carpets
- Meets or exceeds all specifications for cleaning warranted stain resistant carpets, olefin, polyester, and triexta

DIRECTIONS:

To be used as a primary cleaning agent or as a rinse/cleaning aid in extraction type carpet cleaning.

FOR TRUCK MOUNTS: Mix 1 quart Power Point with 5 gallons of hot or cold water. Meter as needed.

FOR PORTABLE EQUIPMENT: Mix 2 ounces of Power Point with 5 gallons of water for ready to use cleaning solution.

RTU pH: 9.5-10.0
 Part # CC26GL
 Part # CC26PL,
 Part # CC26DR
