

Spice-Air eliminates odors caused by mold, mildew, bacteria, sewage, urine, vomit, smoke, and many other organic odors. Spice-Air is safe for application on all surfaces not harmed by water.

- **Naturally organic** Fresh premium fragrance.
- **Stops odors** at the source while improving environmental air quality.
- **Economical:** Concentrated formula goes far.
- **True neutralizing performance:** Not a cover-up!
- **Safe:** Compatible with all carpets and surfaces which are safe for water. Non-toxic and completely environmentally friendly.
- Dilute and spray directly
- Add to cleaning solutions

- Great fragrance your customers will love
- Multi-faceted severe odor counteractant, not just a masking agent
- Pairs w/ odor molecules for complete odor treatment
- Cost effective. A little bit goes a long way
- Ideal for smoke and other severe odors
- Can be wet fogged, direct sprayed, or added to cleaning solutions

DIRECTIONS:

Carpets

Direct Spray: Dilute 2 to 8 ounces per gallon depending on severity of the odor. Spray evenly over affected areas.

Extraction Cleaning: Portable: Add 1/2 to 1 ounce per gallon of RTU solution. Truck-mount: Add 12 ounces to 5 gallon container of concentrated emulsifier.

Fogging

For ULV fogging: dilute concentrate with one part water and fog as directed. For wet foggers: dilute 12 ounces to one gallon water.

Note: Some breathing irritation may occur when fogging. Use of a respirator is suggested.

Other Uses: Add directly to cleaning solutions as needed to control and eliminate odors. 1 to 3 ounces per gallon added to cleaning solutions, 2 to 8 ounces per gallon for direct spray.

Available in Gallons and 4 x 1 gallon cases

Dilution Ratios:

After Spray: 1/2 to 8 oz/Gal.

Truckmounts: 12 oz./5 Gal stock solution

Portables: 1/2 to 1 oz/Gal. RTU

RTU pH: 7.0

Part # CD15GL
