

**Kills over 99.99% of common germs including  
MRSA, Staph, E. coli and Salmonella in 15 seconds!**

## NATURAL HAND SANITIZER.....

**Safe & Non-Toxic Ingredients**  
**No Alcohol**  
**Naturally Effective**  
**Won't Dry Out Hands**

Benefect's active ingredient is our proprietary, fast-acting, broad spectrum antimicrobial created from a patented blend of natural thyme.

In an emergency situation, it can be difficult to find running water. Clean your hands on the go, with Benefect Natural Hand Sanitizer!

Ideal for everyday use at home, on the job site, or in the truck for a quick and easy clean up.

### **Safe & Effective Against Germs Without the Use of Alcohol!**

Independent laboratory studies show Benefect performs as well as alcohol-based hand sanitizers without the use of harsh chemicals!

Laboratory Data:

Testing Method	Organisms	Benefect Results
	MRSA	>99.99% (15 seconds)
GLP Bacterial	Staphylococcus aureus	>99.99% (15 seconds)
Time Kill	Klebsiella pneumoniae	>99.99% (15 seconds)
(in vitro)	Pseudomonas aeruginosa	>99.99% (15 seconds)
	Escherichia coli (E. coli)	>99.99% (15 seconds)

Laboratory studies performed by ATS Labs, Eagan, MN (an EPA and FDA licensed, GLP compliant, independent laboratory).

**Benefect Your  
Hands!**

**4x more uses per ounce than alcohol gels!**

## Skin Safe

Benefect Natural Hand Sanitizer contains no alcohol so it keeps the skin's natural balance intact while killing germs.

You can use it all day long and it won't sting or irritate small cuts you may already have on your hands.

Alcohol-based hand sanitizers disrupt the skin's moisture balance and dry out the skin by stripping away its natural oils. This is one of the reasons skin can become irritated, dry and cracked (which can actually leave you more susceptible to infection).

Alcohol is also flammable and poisonous if ingested making it unsafe in schools and child care facilities. The ingredients in Benefect Natural Hand Sanitizer are all natural and non-toxic if ingested, making safe enough for kids to use.

## Benefect Hand Sanitizer is registered:

- Food and Drug Administration (FDA) in the USA
- Natural Health Products (NHP) in Canada.

## FORMATS:

### Spray Bottles
