

GREEN BALANCE[®]

BRIDGEPOINT SYSTEMS

Hard Surface Cleaner

Bridgepoint Green Balance[®] All Purpose Hard Surface Cleaner is a professional strength hard surface cleaner whose heavy duty formula is designed to effectively remove a wide array of problematic soiling. From the simplest soiling and soap scum to a build up of grease and oil based soiling, its synergistic combination of environmentally preferred agents will dissolve, emulsify and remove them. Green Balance All Purpose Hard Surface Cleaner has been formulated based upon the best presently available information supplied by the United States Environmental Protection Agency DFE program for environmentally preferred cleaning products. It can be used on almost all types of hard surface floors – tile, grout, vct, concrete, vinyl linoleum, laminate, wood, and more. It is also perfect for almost any horizontal or vertical surface you need cleaned, from the dirtiest shower stall to appliances and walls. Its unique formula contains no added fragrances, making it the perfect cleaner for the chemical and allergy sensitive person. It is the one perfect cleaner for almost all of your daily cleaning requirements.

- Uses special foam control agent so it can be used with your high performance portable extractor
- Contains no added fragrances, making it the perfect cleaner for the chemical and allergy sensitive person
- Effective on the simplest soiling and soap scum to a build up of grease and oil based soiling
