SYSTEMS

Removes Old Set Stains/Fresh Spills

Formulated to remove coffee stains, no matter how old and set in. Simply dilute with hot water and spray directly on the stain. Most stains begin to disappear within seconds! For really tough stains, repeat the application. It also works wonders on water stains and urine stains!

- Make up fresh only what you need.
- Economical as it makes approximately 12 quarts of ready to use product.
- Powder form prevents product from degrading in strength as liquids are prone to.

DIRECTIONS:

Test carpet for colorfastness before applying COFFEE STAIN REMOVER.

1. Mix 1 heaping scoop of COFFEE STAIN REMOVER per quart of hot water. Shake until dissolved.
2. Spray directly on the stain until completely moistened. Most stains will begin to disappear within seconds.
3. Allow to Dry. A second application may be needed for tough stains. Once the process is complete, the stain will be completely gone.
4. Vacuum or extract after treatment has completely dried.
