

OLYMPUS

BY HYDRO-FORCE

STANDARD FEATURES:

- 12 gallon capacity
- 5 year warranty on rotationally molded polyethylene body
- Top mounted control panel
- 1-year warranty on pump and vacuums
- Large motor cavity—easy access
- Large, partially pneumatic stair climbing wheels
- 25' orange safety electrical cords
- 25' solution and vacuum hoses
- Delux stainless steel 2-jet wand (except with M1200)
- Professional look and durability
- No drip motor cavity—spills on the outside can't get inside!
- Double ball bearing, patent air seal bearing and epoxy painted fan case vacuum motors
- Steady pressure for nearly any tool
