

Floor Scrubber

The Perfect Solution for Encapsulation Cleaning

With an amazing 800,000 bristles, the Duplex quickly and thoroughly works your encapsulation chemicals into the carpet. In addition, the counter-rotating brushes provide excellent pile lifting for a deep vertical cleaning – making traffic lanes look like new.

- Lightweight, very easy to maneuver, and doesn't need a separate carrier to transport it from place to place
- Offset brush and drive unit allows you to clean closer to walls and furniture than competitive models
- Built-in solution tank eliminates the need to use separate equipment to pre-spray carpet
- Adjustable brush height allows deep cleaning on almost any surface

DOUBLE YOUR PRODUCTIVITY!

Cleans more than twice the sq footage per hour as a wand!

- Encapsulation Cleaning
- Pile Lifting
- Dry Soil Removal
- Floor Washing
