# Foster® 40-80™ Disinfectant

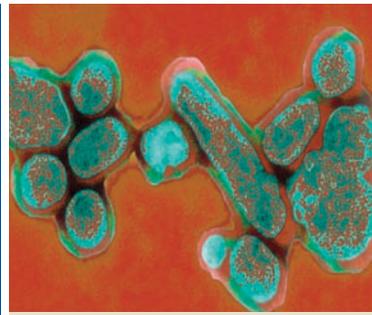

Foster® products, the leading brand of EPA registered, antimicrobial coatings, mold resistant coatings and disinfectants, have been sold to the indoor air quality (IAQ) market since 1992. Foster products have been proven effective in the toughest conditions and are formulated to deliver superior performance, unmatched in the industry.

Foster® 40-80™ Disinfectant is a convenient, ready-to-use formulation that is effective against a broad spectrum of bacteria used to disinfect washable, non-porous, hard surfaces found in homes, schools, restaurants, hospitals and other institutional and industrial facilities, such as food processing plants.

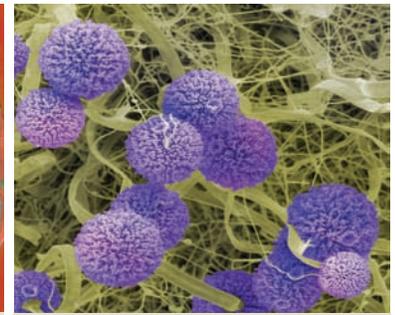

Foster 40-80 Disinfectant is also EPA registered to be effective against odor-causing bacteria and fungi when used in water damage restoration situations on porous and semi-porous surfaces.

## Features and Benefits

- Ready-to-use formula provides added convenience.
- EPA registered, all-in-one disinfectant, cleaner, deodorizer, fungicide, virucide and germicide is effective against a broad spectrum of microbes.
- As a disinfectant, use on washable hard, non-porous, inanimate environmental surfaces such as tables, countertops, floors, walls, stair rails, door knobs, and other non-porous surfaces such as metal (faucets), stainless steel, fiberglass (shower stalls and sinks), finished woodwork, vinyl or plastic upholstery found in homes, hospitals, restaurants, food processing areas, hotels, health clubs and spas.
- In water damage restoration situations, use on porous, semi-porous and non-porous surfaces such as subfloors, drywall, trim and frame lumber, panelling, carpets, carpet cushions, countertops, cupboards, doorknobs, appliance exteriors, showers, tubs, telephones, computers, sinks, faucets and exterior toilet surfaces to remove residual mold and mildew prior to applying a Foster antimicrobial coating (when specified).
- Cleans and removes residual mold and mildew.
- For home, hospital, institutional and industrial use.
- Easy to apply with wipe, cloth, mop, sponge or spray.
